U.S. BOUND STUDENTS REMINDED OF SAT AND ACHIEVEMENT TESTS

U.S. bound students who have applied for the Scholastic Aptitude Test and the College Board Achievement Test are reminded to report at Seroe Colorado High School, Room 277 on December 4, not later than 8:30 a.m. The SAT test starts at 9 a.m. and the Achievement test at 2:00 p.m.

REMINDER TO CALLERS ON TELEPHONE 3500

Employees who call in questions on the "Management Answers Your Questions" program on telephone 3500, are reminded to do so in a loud, clear voice. Disguised or muffled voices, or calls made from a noisy area make transcribing very difficult. Therefore if questions are not clear, they will be disregarded.

HAZARDS OF THE SLEEPY DRIVER...

The drowsy driver is a menace to himself and others. He can't think fast enough to react to an emergency. Or he may fall asleep and run off the road or into another car. Some drivers become so fatigued that they have hallucinations resulting in accidents. The best way to prevent this is to get a good night's sleep, and to be relaxed enough before driving a car.
